

A Scenic Drive around the Beaully Braes and The Aird

Good evening all – the following is the proposed route for the Highland Classic Motor Club's May 23 evening event. The route is almost entirely on single track roads with many twists and turns and is intended to be a leisurely drive – there is no need for speed.

In addition there is a separate sheet – **Points of Interest (or a series of useless facts!)** – to accompany the drive (and for future reference) – please feel free to stop a while at any of the locations to take in the view etc. The letter of each point is noted in the route below. Hopefully, at the end, we should all gather at the small car park at Reelig Glen for a photo opportunity and a blether. I hope you enjoy the event.

Route Description	Diagram	Distance	Cumulative
We start at Braeview Park, the home of Beaully Shinty Club. Turn left out of the car park and then left on to the main A862.			0.0
